

Joint Progress Seminars

Tuesday, January 28th 2020, 16:15 p.m.
Seminar room "Nucleus" (FLI)

Speakers:

Gianna Hirth

(Cell Biology, CMB)

Homologous recombination in
germinal center B cells

Nikita Kuldyushev

(Biophysics, CMB)

Sensing methionine oxidation with
genetically-encoded fluorescent sensors

Chair: Roland Schönherr

Welcome!
